

GOLF BAG STANDS (SET OF TWO)

Add versatility and simplicity when handling and presenting all types of golf bags in key areas of your golf facility. Support 6 golf bags side by side or back to front.

APPLICATIONS:

Whether inside or outside your back shop; demo day; setting up a shot gun start; or cleaning clubs at the end of a round... these Golf Bag Stands will add value and efficiency to your golf operation.

DESIGN FEATURES:

- These versatile Golf Bag Stands are self supported by their sturdy construction; no need to bolt into ground or fasten to supporting walls
- Golf Bag Stand dimensions 16" depth x 3' length x 31½" height
- Portable at 27.50 lbs; each bag stand can easily be moved by one staff member
- Bag stands back post is arched, preventing loaded golf bags from touching when stand is back to back
- Assembles in less than 5 minutes with a 7/16" wrench
- Corrosion resistant ¼" stainless steel carriage bolts, washers and nuts included
- Durable Steel Tubing and Flat Bar is corrosion resistant with baked-in semi gloss black powder paint.
- Boxed shipping weight of 2 Golf Bag Stands just under 60 lbs.
